2023 CSC Conference What to Expect and Hints

The CSC Conference is an annual event that brings together the design and construction Community. This event is a great opportunity to build business relationships in a more casual setting than Architectural calls.

Paperless or close to the paperless event. CSC will provide a conference notepad for taking notes during the conference.

Please download schedules and technical presentations before you come to the conference, a link will be sent to you a few days prior to the conference.

Attire:

Business Casual for most of the conference. We have seen blazers and suits on occasion. Bringing jeans is never a bad idea for travel, and perfect for Friday night “Fun Night”.

Fun Night (Friday night): Casual, jeans, and/or Cowboy attire. (Cowboy boots or comfortable shoes, do not recommend shoes with heels)

President’s Ball (Saturday night): Formal attire is encouraged
(Men, if you don’t have a tuxedo, don’t fret, just wear a suit & tie.)

Awards Luncheon (Saturday): You never know, you might get an award and they take photos.

Check the weather network before you go to see if you need anything.
